Statement of Activities:

Because I had a different career at the time, the archive had been relatively stagnant in activity from its date of formation until the start of the pandemic.

As a result of Covid, we have performed the following activities digitally: weekly zoom meetings to support outreach, networking, fund raising and creating an Informational Brochure and Overview Booklet.

Receive IRS designation May 2020. EIN – 84-4605277

We will continue our mission working with the public students to collect, preserve and make accessible the region's audiovisual media as an artistic and historical record of the regions rural, suburban and urban cultures and heritages.
